

ADERANS

Dryfix Aderans is a polymer-based, ready-to-use primer developed for new ceramic applications on ceramic surfaces, providing high adhesion. Thanks to its special formula, it provides excellent adhesion on low-absorption surfaces and prevents ceramics from falling off.

■ AREAS OF USE

- Ceramic-on-ceramic applications.
- Low-absorption surfaces such as granite, marble, porcelain, and glass mosaic.
- Bathroom, kitchen, and outdoor ceramic floor covering applications.

■ ADVANTAGES

- High adhesive strength.
- Ready-to-use formula.
- Fast drying.
- Easy to apply with a brush or roller.
- Solvent-free, environmentally friendly.

■ WARNINGS

- Do not apply to damp or wet surfaces.
- After using the product, use a ceramic adhesive of at least C2TE Class (Dryfix Cer 606) or higher.

■ APPLICATION INSTRUCTIONS

- The surface must be clean, dry and free of dust.
- Mix the contents of the package without adding water until homogeneous.
- Dryfix Adhesion can be applied using a brush, roller, or airless sprayer.
- Apply the product evenly over the entire surface.
- After the product has dried (approx. 4 hours), ceramic adhesive application can proceed.

■ TECHNICAL SPECIFICATIONS

- Appearance: Transparent pink
- Drying Time: Minimum 4 hours (depending on ambient temperature)
- Application Temperature: Between +5°C and +30°C.
- Consumption: 100-200 g/m²

■ STORAGE

Store in a dry and cool place in its original packaging. Protect from freezing. Unopened packaging can be stored for 12 months from the production date.

■ SAFETY WARNINGS

Store out of reach of children. Avoid contact with skin and eyes. Ensure adequate ventilation during use. For detailed safety information, refer to the SDS (Safety Data Sheet).

■ LEGAL NOTICE
